LE VENATURE SI POSANO SULLA NOTTE CON NATURALITÀ E INFONDONO ARMONIA ALLA CAMERA DA LETTO SU TUTTA LA SUPERFICIE OPPURE, ABBINATE A FINITURE LISCE O DETTAGLI LUMINOSI, DIVENTANO PROTAGONISTE E CONQUISTANO IL LORO SPAZIO VITALE.

WOOD GRAIN SUITS BEDROOM FURNITURE TO A TEE AND INSTILLS THE ROOM WITH HARMONY. USED ON THE WHOLE SURFACE OR PAIRED WITH PLAIN FINISHES OR BRIGHT DETAILS, IT BECOMES THE MAIN ATTRACTION AND IS GIVEN THE SPACE IT DESERVES.

Charlie

Una forma diagonale spezza la continuità delle venature e mette in risalto la parte superiore della testiera.

A diagonal shape interrupts the wood grain and sets off the top section of the headboard.

The square shapes of the furniture contrast with the rounded shapes of the bed, yet match perfectly. The mixture of geometric shapes is stunning.

Prestige

Il legno incornicia il pregiato rivestimento in pelle, ecopelle o econabuk della testiera, mentre le cuciture mettono in risalto l'effetto imbottito. I materiali sono in armonia tra di loro e il letto è un concentrato di stile e raffinatezza.

Wood frames the prized leather, eco-leather or eco-nubuck headboard cover whilst the stitching sets off the design of the padding. The materials harmonise with each other making the bed the quintessence of style and refinement.

La notte sceglie il bianco come dress code: gli arredi si vestono di assoluta modernità e il design sfaccettato è ancora più leggero.

The night chooses white for its dress code colour: the furniture is modern through-and-through while the faceted design gives it an even lighter appearance.

Plaid

Lo dice il nome stesso: come un plaid, il tessuto si posa sulla testiera e la avvolge con naturalezza. I bordi sfrangiati esprimono uno stile country, mentre gli orli rifiniti si adattano ad ambienti che vogliono stupire con un'originalità discreta.

The name says it all: like a throw (plaid in Italian), the fabric sits on the headboard and wraps itself around it in a seemingly casual way. The frayed edges express a country style while the finished borders are perfect for rooms that want to astonish through discreet originality.

Come nel più comodo degli abiti, sulla testiera sono applicate due tasche porta riviste-oggetti, che danno al letto un look moderno e multifunzionale. Inserti in ecopelle, econabuk o pelle danno risalto alla praticità quotidiana.

Just like a practical garment, the headboard has two pockets to hold magazines or other objects, giving the bed a modern, multifunctional appeal. The inserts in eco-leather, eco-nubuck or leather direct the eye to the practicality of these details.

In pelle o tessuto, il filo colorato che delinea i bordi della testiera e del ring è l'elemento distintivo che identifica la personalità del letto. Tono su tono per gli animi più discreti, a contrasto per chi i dettagli ama metterli in evidenza.

The coloured yarn that sets off the edges of the leather or fabric headboard and bed frame is the distinguishing element that gives the bed its personality. Tone-on-tone for discreet souls, contrasting for those who want their details to stand out.

Una ricca lavorazione con impunture capitonné su pelle o tessuto esprime un gusto sofisticato. La testiera alta mette il letto al centro della scena, ma anche la versione con testiera bassa punta a creare un effetto scenico.

Richly decorated with “capitonné” quilting on leather or fabric, this headboard conveys a sophisticated style. The tall headboard puts the bed at the centre of the scene but even the smaller one is all set to create a stunning effect.
