MY YO UR IS

Myyour è passione per il design, per la ricerca, fra linea e tecnologia, per competere nel mercato worldwide, sempre più esigente e in continua espansione.

Una vita nel colore, nella forma positiva, giocosa ed eccellente della materia. Un team dinamico, preparato ed efficace per rispondere ad ogni richiesta del Cliente.

Un'azienda giovane, in cui l'interazione fra tecnologia ed esperienza produttiva trentennale, risulta essere la vera forza della libertà creativa, della diffusione e dell'eccellenza nel processo produttivo.

Myyour è, dopo dieci anni dalla sua fondazione, un'azienda consolidata, una coesione fra saper fare e un'identità in costante mutamento, sempre pronta ad accogliere nuovi trend, nuove esperienze creative per ogni esigenza, indoor e outdoor, dell'abitare.

Myyour is passion for design, research, between line and technology, to compete in a global market, increasingly demanding and ever expanding.

A life in color, in the positive, playful and excellent form of material. A dynamic team, prepared and efficient to respond to every need of the Customer.

A young company, in which the interaction between technology and decades of productive experience, appears to be the real strength of creative freedom, the spread and excellence in the industrial production.

Myyour is, after ten years since its foundation, established company, a cohesion between know-how and identity constantly changing, always ready to welcome new trends, new creative experiences for every need, indoor and outdoor living.

Myyour, sempre in continua ricerca ed evoluzione, non si ferma all'eccellenza racchiusa nel catalogo AESTHETIC e per questo vuole dare continuità ai progetti e alle idee che sono state le fondamenta del catalogo SOFTEN.

Seguendo la filosofia di quest'ultimo con un occhio sempre vigile verso le dinamiche di mercato, Myyour integra la collezione Push con tavoli, sedie, sgabelli e lettini che parlano il linguaggio della casa come quello del contract, a seconda delle esigenze.

Se SOFTEN vuol dire morbidezza, la collezione Wave ne è una delle sue tante sfaccettature secondo lo stile Myyour. Il tessuto filato a maglia, già utilizzato nella cuscineria wave, viene massimizzato nelle sue misure dando vita ad una nuova proposta di daybed in due taglie single e double.

Myyour, always in constant research and evolution, does not stop at the excellence contained in the AESTHETIC catalog and for this reason wants to give continuity to the projects and ideas that were the foundations of the SOFTEN catalog.

Following the philosophy of the latter with an ever-vigilant eye towards market dynamics, Myyour integrates the Push collection with tables, chairs, stools and sunbeds that speak the language of the home as well as that of the contract, according to needs.

If SOFTEN means softness, the Wave collection is one of its many facets according to the Myyour style. The spun knitted fabric, already used in the wave cushions, is maximized in its sizes, giving life to a new daybed proposal in two sizes single and double.

PUSH COL LEC TION

Il vivere l'esterno è fatto di situazioni diverse, ma complementari fra loro, con il comun denominatore di voler assaporare al meglio, accomodati sul divano, attorno ad un tavolo o sdraiati sul lettino, quello che l'outdoor può offrire in termini di relax e convivialità.

Da qui la decisione di completare la famiglia Push con nuovi elementi, dove il dettaglio della gamba in alluminio resta il punto focale attorno al quale è stata pensata l'intera collezione. Completano la gamma gli sgabelli e i tavoli per il settore contract.

Living outdoors is made up of different but complementary situations, with the common denominator of wanting to savor at best, seated on the sofa, around a table or lying on the sunbed, what the outdoors can offer in terms of relaxation and conviviality.

Hence the decision to complete the Push family with new elements, where the detail of the aluminum leg remains the focal point around which the entire collection was designed. Stools and tables for the contract sector complete the range of products.

WAVE COL LEC TION

Eleganza non è solo sobrietà e rispetto dei canoni di moda e bellezza, ma è aggiungere quel tocco di stile che permetta di distinguersi fra molti. La speciale tramatura ondilinea caratterizza non solo i cuscini, ma anche i nuovi daybed single e double. I cuscini oltre ad arredare gli spazi mettono in risalto le nostre collezioni. I nuovi daybed abbattano il rigore, la compostezza e la formalità, lasciando la libertà di prendere una posizione sotto tutti i punti di vista.

Elegance is not only sobriety and respect for the canons of fashion and beauty, but it is adding that touch of style that allows you to stand out among many. The special wavy texture characterizes not only the cushions, but also the new single and double daybed. The cushions in addition to furnishing the spaces highlight our collections. The new daybeds break down rigor, composure and formality, leaving the freedom to take a stand from all points of view.

WAVE COL LEC TION

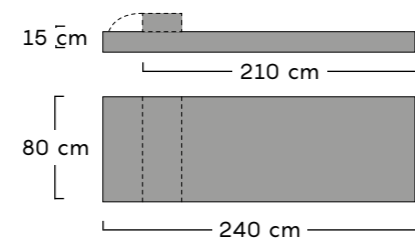

I lettini Wave single bed e double bed, sono realizzati in materiale da esterni fatto di una miscela di PVC e PES, antibatterico, totalmente riciclabile e resistente ai raggi UV, tessuto con trama a maglia realizzata in esclusiva per Myyour. L'imbottitura è in gommapiuma riciclata contenuta all'interno di un sacco antipioggia. Inoltre, grazie alla linea di piegatura presente sulla tre quarti della superficie, la zona dedicata al riposo di spalle e testa è ben delimitata e rende ancora più confortevole l'utilizzo di questi lettini per esterno.

The big beds Wave single bed e double bed are made of an outdoor material made of a mixture of PVC and PES, antibacterial, totally recyclable and resistant to UV rays, with a knitted fabric texture made exclusively for Myyour. The padding is made of recycled rubber foam contained inside a rainproof bag. In addition, thanks to the folding line present on the three quarters of the surface, the area dedicated to the rest of the shoulders and head is well defined and makes the use of these outdoor beds even more comfortable.
