

A wide-angle photograph of a wooden boardwalk made of weathered planks, leading from the foreground through coastal dunes towards the ocean. The dunes are covered in green grasses and white, spiky flowers. The ocean is a deep blue with white-capped waves breaking in the distance under a pale, overcast sky.

# Salty Dunes

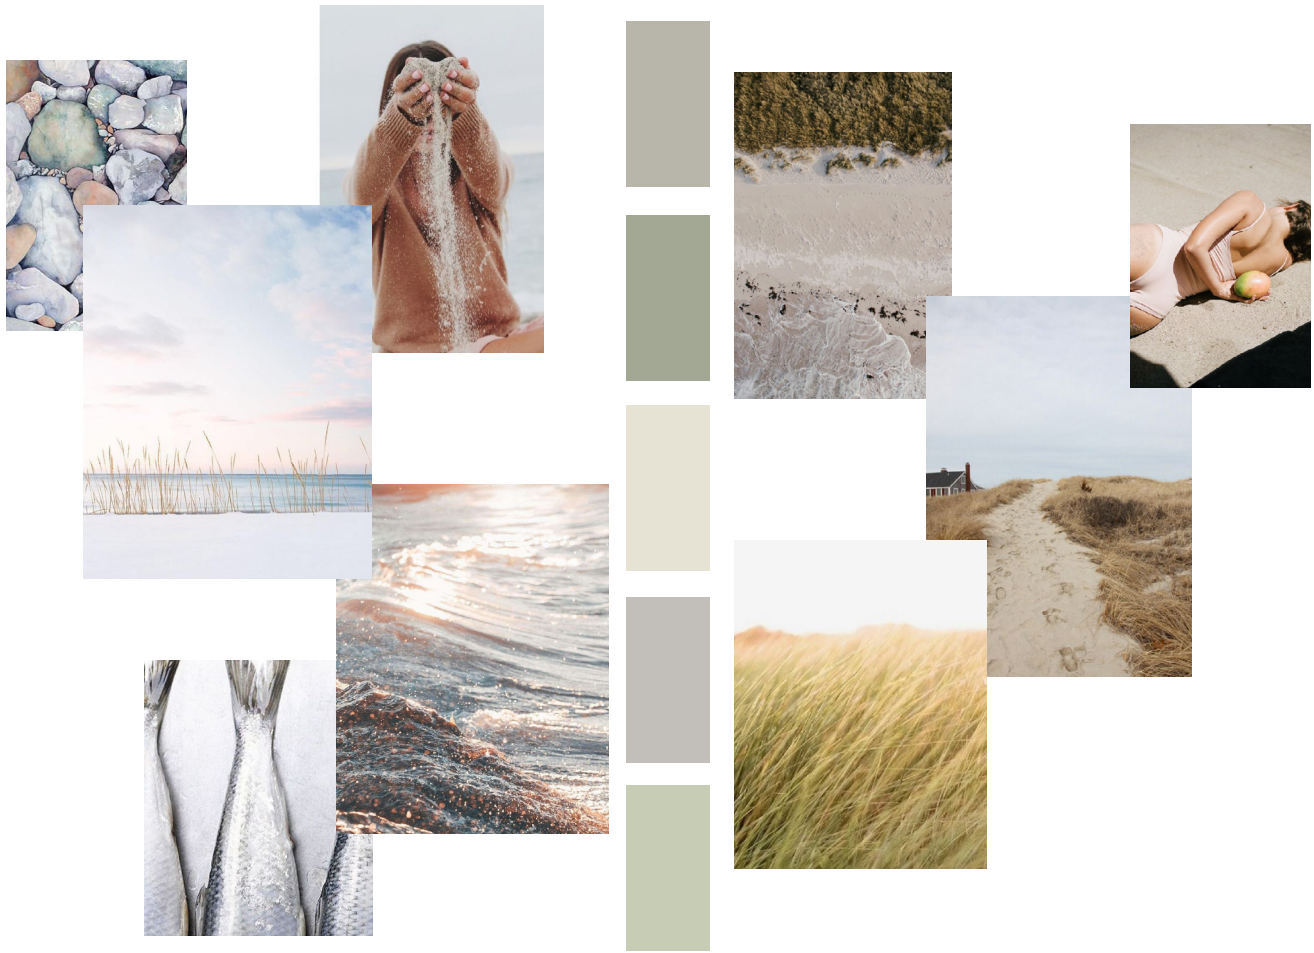

Picture the sand between your toes. You are relaxing at the seaside with only the sound of the waves to guide you. Doze off at sunset in the shade of the palm trees.

Immerse yourself in a feeling of simplicity and freedom while gazing over the ocean from your hammock. The wind has shaped the dunes into romantic waves, punctuated with jagged rocks, pearly white beach houses and wooden cabins. The air is filled with the tangy smell of marine salt and freshly caught fish.

# From mood to collection

Inspired by the ocean and the sand, swayed by supple rope, seaborne colours and weathered wood, your outdoor furniture is both modern and timeless. Mix and match a soft flint base with a natural teak tabletop, or spice things up with a variant in pepper. Grey travertine ceramic with brown accents generates a 'ton-sur-ton' effect that blends perfectly with the natural surroundings, while concrete ceramic brings a more contemporary look to your outdoor experience.

Recline on sectional sofas, loungers, lounge chairs and poufs, or maintain an elevated position on an elegant bar stool. Decorate your space with sophisticated cushions, rugs and accessories in playful colours. Choose from a palette of silver, white, soft green and yellow shades reminiscent of the dunes, the water and the sparkling sun. Our seamless, elegant designs will make you feel totally at one with the waves.

Collections within this mood are Flex, Radius, Minus, Duo, River and Prato. Style with Mood, Linear and Twist for your seaside moments.
