**GIORGETTI** 

Collections

In principio era questo verbo. Un gesto storico, ancestrale, fondatore. Le abili e pazienti mani degli artigiani plasmano il legno negli stabilimenti Giorgetti fin dalla fondazione dell'azienda a Meda, nel cuore della Brianza, nel 1898. Oggi Giorgetti produce collezioni di sedute, tavoli, librerie, letti e complementi firmati da importanti progettisti, alcune delle cui collaborazioni sono nate alla fine degli anni 80 e hanno permesso di creare prodotti funzionali, contemporanei e dallo stile atipico e inconfondibile, in grado di conciliare la più alta tradizione ebanistica con l'impiego di sofisticate tecnologie produttive.

Creatività e design caratterizzano i mobili Giorgetti, dando forma ai materiali più pregiati, come il legno, le pelli, la pietra e il metallo, e rappresentando il "Made and Manufactured in Italy" in tutto il mondo. Un concetto ricco di *heritage* che tanto affascina con l'aggiunta di quel tocco speciale fra passione e stile. Sinonimi in questo caso di amore per il bello e per il buon lavoro, fatto di qualità e di creazioni durevoli, senza tempo.

## L'Arte di plasmare *The art of shaping*

*In the beginning was this verb. A historic, ancestral, founding gesture. The skilled and patient hands of craftsmen shape the wood in the Giorgetti factories since its foundation in Meda, in the heart of Brianza, in 1898. Nowadays Giorgetti produces collections of seats, tables, bookcases, beds and furnishing accessories designed by important architects, some of which collaborations were born in the late 80's and that allowed to create functional, contemporary, unique and atypical products, that are able to reconcile the highest cabinetmaking with the use of sophisticated production technologies.*

*Creativity and design characterize Giorgetti furniture, giving the shape to the most precious materials, such as wood, leather, stone and metal, and representing the "Made and Manufactured in Italy" all over the world. A concept rich in heritage that fascinates with the special touch of passion and style. Synonyms in this case of love for beauty and for the good work, made of quality and timeless creations.*
